Chapel by Katie

In chapel we were talking about are unicorns real or is God real. Mrs. Amey was the leader. Then she read Bible verses. The Bible verses were Matthew 22:3, Matthew 5:44, Philippians 2:14, and Galatians 4:4-7. We sang "The King of My Heart". Next we prayed. Then we did baptismal birthdays.

Religion by Braedan

On Monday we watched a video. On Tuesday we talked about sin and the Resurrection. On Wednesday we had Chapel. We watched a clip from Despicable Me 3. Next we sang two songs. Then we listened to Mrs. Amey share a story. Last we did baptismal birthdays. On Thursday we talked about growing to know God. On Friday we talked about the first 3 Commandments.

Reading by Brynn

On Monday we learned about inventions like a fake leg or a telescope that was big. We learned about a dolphin that lost it's fin and people made a new one for it. On Tuesday we did a written practice. That is a story on paper and it is quick. I love them. It is amazing! It rocks yay! On Wednesday we read "All Aboard". There was a boy who loved mechanical stuff. When he grew up he went to a different country and found job. It was hard. He made a grease drip can that they still use now. It kept the train from stopping every 30 minutes. It worked and made the train faster and safer. On Thursday we took a quiz over the story. On Friday we worked with metaphors. It was fun to do. I like school and reading. It is fun. So fun.

Math by Edric

On Monday, Tuesday, Wednesday, and Thursday, we learned double digit addition and double digit subtraction. We also have groups, one does some math questions with Mrs. Reida, and the other does reflexmath.com/go.

Grammar by Nicole

On Monday we talked about prediction charts. Then we got 2 prediction charts. The first one was about what do you think will happen the rest of the day. On Tuesday we read, "A Curve in the River." On Wednesday we did another prediction chart about what happened to the note in the bottle. On Thursday we wrote and typed our Newsletter/Blog. On Friday we began learning how to correctly tell a story.

Social Studies by Claire

On Monday we started to do our Kansas project. We did pages 2-4. Our vocabulary words this week are nation, internet, and communication. Mrs. Reida used Class Dojo to randomly pick a student to read a paragraph at a time. We are talking about communication with other people.

Science by Kyrsten

We are learning about how force affects motion. A force is a push or pull. After we read, we did a science experiment. We used 3 stacked books with a ruler. Then we used a rubber ball and a meter stick. Then we placed the rubber ball on the ruler. I predict that the ball will roll down.

Music by Colton

On Monday we started with "a" and then we celebrated my birthday. Then we sang "Cape Cod Chanty". After that we sang "Gotta Have Faith". On Wednesday we started "a" and then we sang "Cape Cod Chanty" and then we sang "Gotta Have Faith". Then we sang "Polly Wally Doodle".

Computer by Ava

In computer we practiced the keys on the keyboard for ten minutes. We typed with covers and we do 1st, 2nd, 3rd, and 4th quarters. Then we prayed for lunch and left.
